**CASE FILE NUMBER:** 2007-248

**LICENSEE:** FME, Inc., d/b/a Mister Sparky of Charlotte

**ADDRESS:** 2246 Old Steele Creek Road  
Charlotte, NC 28208

**LISTED QUALIFIED INDIVIDUAL:** William A. Boggs

**LICENSE NUMBER:** 15349-U

**VIOLATION(S):** Violation of North Carolina General Statute 87-47 (a1) (5) and (7) in that:

1. Respondent FME, Inc. holds license #15349-U.
2. The only qualifier was William A. Boggs.
3. The Board alleged that the Respondent firm undertook to contract and perform electrical contracting work under

the name "Mister Sparky" while being licensed as FME, Inc., at a time when a different licensee already held license under the name "Mister Sparky."

4. Respondent objected to the Recommended Order and requested a hearing before the Board.

5. Subsequent to proceedings before the Disciplinary Committee, the Respondents submitted new and substantial evidence which Respondents contend would show, in the event of a hearing, that Respondents set about to utilize the name "Mister Sparky", they obtained approval for use of such name from the Secretary of State's office, though not from this Board, they did not make any proposals or enter into any contracts through the use of that name, and they were making a good faith effort to secure the ability to utilize the name as a result of an acquisition of a franchise.

6. Respondents contend the evidence would demonstrate the errors consisted solely in issuance of a press release by the franchisor, but not by them, announcing their existence as a "Mister Sparky" franchise and the Respondents' error in lettering their company vehicle with the "Mister Sparky" logo, which was briefly utilized by the firm for delivery of material.

7. A different licensee already holds license under the name "Mr. Sparky".

8. Respondents are now licensed and doing business as FME Inc., d/b/a Mister Sparky of Charlotte.

**BOARD ACTION:** The Disciplinary Committee recommended:

1. That a reprimand be placed on the license record of Respondent as an electrical contractor.

2. That the Board impose a civil penalty of \$500.00 upon the licensee to be paid within 30 days of the effective date of this Order..

There was no objection from Mr. William A. Boggs and the Consent Order was approved by the Board as a Final Order on September 25, 2008.

**EFFECTIVE DATE:** September 25, 2008
