

## STATE BOARD OF EXAMINERS OF ELECTRICAL CONTRACTORS

### MEMORANDUM

TO: GEORGIA LICENSEES

FROM: NORTH CAROLINA STATE BOARD OF EXAMINERS OF ELECTRICAL CONTRACTORS

SUBJECT: APPLYING FOR NORTH CAROLINA FIRE ALARM/LOW VOLTAGE WIRING CONTRACTING LICENSE

Enclosed is the application packet for your use in applying for a North Carolina fire alarm/low voltage wiring contracting license pursuant to the North Carolina State Board of Examiners of Electrical Contractors' resolution establishing waiver of examination for eligible Georgia licensees.

We are also enclosing a booklet containing the laws applicable to electrical contracting in North Carolina and the Board's rules (Title 21 NCAC 18B) for the implementation of the electrical contracting licensing laws in North Carolina.

After carefully studying all of this information, please submit your completed application, together with the additional required information as enumerated on the back of the application form, to: STATE BOARD OF EXAMINERS OF ELECTRICAL CONTRACTORS, 3101 Industrial Drive, Suite 206, Raleigh, NC 27609

You are hereby advised that until your firm has obtained a license from this Board, it is unlawful for it to engage or offer to engage in the business of electrical contracting in the State of North Carolina as defined in N.C.G.S. 87-43.

Please let us know if we can assist you in any way.

GA FIRE ALARM/LOW VOLTAGE WIRING

AGREEMENT  
ESTABLISHING WAIVER OF EXAMINATION FOR ELIGIBLE LICENSEES

Pursuant to statutory authority vested in each state, the Georgia Construction Industry Licensing Board, Division of Low Voltage Contractors and the North Carolina State Board of Examiners of Electrical Contractors do hereby enter into the following agreement:

1. The Georgia Construction Industry Licensing Board, Division of Low Voltage Contractors agrees to accept as meeting the requirements for an approved Low Voltage-Alarm, Low Voltage-Telecommunication, Low Voltage-Unrestricted, or Low Voltage-General examination any applicant and issue a Georgia Low Voltage-Alarm, Low Voltage-Telecommunication, Low Voltage-Unrestricted, or Low Voltage-General license to such applicant, based on the following:
  - (a) The applicant is a “qualified individual” in the Unlimited or Low Voltage classification, as defined by Chapter 87 Article 4 of the General Statutes of North Carolina, who qualified on the basis of having taken and passed the normally required written examination administered by the North Carolina State Board, provided that the applicant did not obtain a North Carolina license based on any examination other than the normally required written examination administered by the North Carolina State Board of Examiners of Electrical Contractors; and
  - (b) The applicant meets the experience and all other requirements of the Georgia Construction Industry Licensing Board for the issuance of a Georgia Low Voltage-Alarm, Low Voltage-Telecommunications, Low Voltage-Unrestricted, or Low Voltage-General license.
2. The North Carolina State Board of Examiners of Electrical Contractors agrees to waive the normally required written examination and issue a North Carolina low voltage electrical contractors license to any applicant provided:
  - (a) The applicant’s Georgia license was issued on the basis of the applicant’s qualifying agent having taken and passed the normally required Low Voltage-Alarm, Low Voltage-Telecommunication, Low Voltage-Unrestricted, or Low Voltage-General examination administered by the Georgia Construction Industry Licensing Board; and
  - (b) The applicant did not obtain a Georgia license through any agreement between the Georgia Construction Industry Licensing Board and any other state; and
  - (c) The applicant meets all other requirements of the North Carolina State Board of Examiners of Electrical Contractors for the issuance of a low voltage electrical contractors license.

3. The provisions of this reciprocal licensing agreement shall become effective on a date agreed to by the parties of this agreement and shall remain in effect until such time as either the Georgia Construction Industry Licensing Board, Division of Low Voltage Contractors or the North Carolina State Board of Examiners of Electrical Contractors advises the other state agency through written notice of its intention to terminate the same. Such written notice must be filed with the other state agency at least ninety days prior to the date the respective state agency intends to terminate this agreement.

The foregoing agreement was adopted by the North Carolina State Board of Examiners of Electrical Contractors during a duly scheduled meeting held on the date indicated below; and was adopted by the Georgia Construction Industry Licensing Board, Division of Low Voltage Contractors during a duly scheduled meeting held on the date indicated below.

**REQUIREMENTS FOR NORTH CAROLINA FIRE ALARM/LOW VOLTAGE WIRING ELECTRICAL CONTRACTING**

Pursuant to the resolution establishing waiver of examination for eligible Georgia licensees duly adopted by the North Carolina STATE BOARD OF EXAMINERS OF ELECTRICAL CONTRACTORS, a North Carolina fire alarm/low voltage wiring electrical contracting license will be issued to an eligible Georgia licensee provided such licensee duly files an application with the North Carolina State Board of Examiners of Electrical Contractors, together with the following required information:

1. Age of qualifying agent(s) must be at least eighteen (18) years as certified by date of birth shown on front side of application.
2. Statement from the Georgia Construction Industry Licensing Board certifying that the applicant holds a current Georgia electrical contracting license issued by that Board, and that each qualifying agent listed on this application has taken and passed the normally required written qualifying examination in the low voltage classification administered by the Georgia Board; and further certifying that said license was not issued on the basis of any agreement between the Georgia Board and any other state. Applicant should complete the first section of the enclosed **GEORGIA BOARD FORM** and forward it to the Georgia Construction Industry Licensing Board to be completed.
3. Statements from two responsible persons attesting to each qualifying agent's good moral character (two **CHARACTER FORMS** enclosed).
4. Check or money order in the amount of **\$85.00** for the annual license fee payable to the North Carolina State Board of Examiners of Electrical Contractors.
5. **CORPORATIONS/LIMITED LIABILITY COMPANIES:** You must be registered with the **NORTH CAROLINA** Secretary of State before the Board can issue a license. Each corporation or limited liability company must obtain a **certificate of authority** from the **NORTH CAROLINA** Secretary of State (919) 807-2225.

**NOTICE OF PENALTY FOR SUBMITTAL OF BAD CHECK**

Pursuant to Rule .0107 of Title 21, Chapter 18B, of the North Carolina Administrative Code, any person, firm or corporation submitting a check to the Board which is subsequently returned because of insufficient funds or no account in bank will be charged the maximum processing fee allowed by G.S. 25-3-512 for processing such check; and, until the payor has made the check good and paid the prescribed processing fee, the payor will not be eligible to take an examination, review an examination, obtain a license or have a license renewed. Payment to the Board for making good such bad check and for the prescribed processing fee must be in the form of a cashier's check or money order.
