

N. C. STATE BOARD OF EXAMINERS OF ELECTRICAL CONTRACTORS

MEMORANDUM

TO: LOUISIANA LICENSEES

FROM: NORTH CAROLINA STATE BOARD OF EXAMINERS OF ELECTRICAL CONTRACTORS

SUBJECT: APPLYING FOR NORTH CAROLINA ELECTRICAL CONTRACTING LICENSE

Enclosed is the application packet for your use in applying for a North Carolina unlimited electrical contracting license pursuant to the North Carolina State Board of Examiners of Electrical Contractors' resolution establishing waiver of examination for eligible LOUISIANA licensees.

We are also enclosing a booklet containing the laws applicable to electrical contracting in North Carolina and the Board's rules (Title 21 NCAC 18B) for the implementation of the electrical contracting licensing laws in North Carolina.

After carefully studying all of this information, please submit your completed application, together with the additional required information as enumerated on the back of the application form, to: STATE BOARD OF EXAMINERS OF ELECTRICAL CONTRACTORS, 3101 Industrial Drive, Suite 206, Raleigh, NC 27609.

You are hereby advised that until your firm has obtained a license from this Board, it is unlawful for it to engage or offer to engage in the business of electrical contracting in the State of North Carolina as defined in N.C.G.S. 87-43.

Please let us know if we can assist you in any way.

AGREEMENT
ESTABLISHING WAIVER OF EXAMINATION FOR ELIGIBLE LICENSEES

Pursuant to statutory authority vested in each State, the Louisiana State Licensing Board for Contractors and the North Carolina State Board of Examiners of Electrical Contractors do hereby enter into the following agreement:

1. The Louisiana State Licensing Board for Contractors agrees to waive the normally required, master electrician written examination, and issue a Louisiana electrical contractor's license to any applicant provided:
 - (a) The license applicant's North Carolina license was issued on the basis of the applicant's qualifying agent having taken and passed the normally required written examination administered by the North Carolina State Board of Examiners of Electrical Contractors and the license applicant holds a current electrical contractor's license for the past three consecutive years issued by the North Carolina State Board of Examiners of Electrical Contractors in the Unlimited classification; and
 - (b) The applicant did not obtain a North Carolina license through any agreement between the North Carolina State Board of Examiners of Electrical Contractors and any other state; and
 - (c) The applicant's qualifying agent has taken and passed the Louisiana reciprocal business and law examination; and
 - (d) The applicant meets all other requirements of the Louisiana State Licensing Board for Contractors for the issuance of an electrical contracting license.

2. The North Carolina State Board of Examiners of Electrical Contractors agrees to waive the normally required written examination and issue a North Carolina electrical contractor's license in the Unlimited classification to any applicant provided:
 - (a) The license applicant's Louisiana license was issued on the basis of the applicant's qualifying agent having taken and passed the normally required written examination administered by the Louisiana State Licensing Board for Contractors and the license applicant holds a current electrical contractor's license for the past three consecutive years issued by the Louisiana State Licensing Board for Contractors; and
 - (b) The applicant did not obtain a Louisiana license through any agreement between the Louisiana State Licensing Board for Contractors and any other state; and
 - (c) The applicant's qualifying agent has taken and passed the North Carolina reciprocal business and law examination; and

- (d) The applicant meets all other requirements of the North Carolina State Board of Examiners of Electrical Contractors for the issuance of an electrical contracting license in the Unlimited classification.
3. The provisions of this reciprocal licensing agreement shall become effective August 1, 2004, and shall remain in effect until such time as either the Louisiana State Licensing Board for Contractors or the North Carolina State Board of Examiners of Electrical Contractors advises the other state agency through written notice of its intention to terminate the same. Such written notice must be filed with the other state agency at least ninety days prior to the date the respective state agency intends to terminate this agreement.

The foregoing agreement was adopted by the North Carolina State Board of Examiners of Electrical Contractors during a duly scheduled meeting held June 9, 2004; and was adopted by the Louisiana State Licensing Board for Contractors during a duly scheduled meeting held September 16th 2004

REQUIREMENTS FOR NORTH CAROLINA ELECTRICAL CONTRACTING

Pursuant to the resolution establishing waiver of examination for eligible Louisiana licensees duly adopted by the North Carolina STATE BOARD OF EXAMINERS OF ELECTRICAL CONTRACTORS, a North Carolina unlimited electrical contracting license will be issued to an eligible Louisiana licensee provided such licensee duly files an application with the North Carolina State Board of Examiners of Electrical Contractors, together with the following required information:

1. Age of qualifying agent(s) must be at least eighteen (18) years as certified by date of birth shown on front side of application.
2. Statement from the Louisiana State Licensing Board for Contractors certifying that applicant holds a current Louisiana unlimited electrical contracting license issued by that Board, and that each qualifying agent listed on this application has taken and passed the normally required written qualifying examination in the unlimited classification administered by the Louisiana Board; and further certifying that said license was not issued on the basis of any agreement between the Louisiana Board and any other state. Applicant should complete the first section of the enclosed **LOUISIANA BOARD FORM** and forward it to the Louisiana State Licensing Board for Contractors to be completed and mailed directly to the North Carolina State Board of Examiners of Electrical Contractors.
3. Properly completed statement of bonding ability, together with proper power of attorney from a bonding company licensed to do business in the State of North Carolina, certifying applicant's ability to furnish performance bonds for electrical contracting projects in excess of \$130,000.00 per project (**STATEMENT OF BONDING ABILITY FORM** enclosed).
4. Statements from two responsible persons attesting to each qualifying agent's good moral character and ability to satisfactorily supervise and direct all electrical wiring or electrical installation work done by an electrical contracting business in the **UNLIMITED** classification (two **CHARACTER/SUPERVISE AND DIRECT FORMS** enclosed).
5. Check or money order in the amount of **\$180.00** for the annual license fee payable to the North Carolina State Board of Examiners of Electrical Contractors.
6. Completed North Carolina Law, Rules & Business Practices Examination.
7. **CORPORATIONS/LIMITED LIABILITY COMPANIES:** You must be registered with the **NORTH CAROLINA** Secretary of State before the Board can issue a license. Each corporation or limited liability company must obtain a **certificate of authority** from the **NORTH CAROLINA** Secretary of State (919) 807-2225.

NOTICE OF PENALTY FOR SUBMITTAL OF BAD CHECK

Pursuant to Rule .0107 of Title 21, Chapter 18B, of the North Carolina Administrative Code, any person, firm or corporation submitting a check to the Board which is subsequently returned because of insufficient funds or no account in bank will be charged the maximum processing fee allowed by G.S. 25-3-512 for processing such check; and, until the payor has made the check good and paid the prescribed processing fee, the payor will not be eligible to take an examination, review an examination, obtain a license or have a license renewed. Payment to the Board for making good such bad check and for the prescribed processing fee must be in the form of a cashier's check or money order.

RE: QUALIFYING EXAMINATION
NORTH CAROLINA LAWS, RULES & BUSINESS PRACTICES

All applicants are required to pass an examination on laws, rules and business practices applicable to Electrical Contracting in North Carolina. Applicants taking the North Carolina examination have laws, rules and business practice questions on the regular qualifying examination. Applicants, who are applying for a license under a technical examination waiver agreement, must pass the attached examination. A laws and rules booklet is contained in this application packet. The business practice questions are developed from the NASCLA Business and Project Management for Contractors – North Carolina Electrical Contractors' Edition, and may be purchased at: <https://store.nascla.org>.

Attached is a 25 question, open book examination to be completed by the qualifying party who has passed the technical examination as certified by the state licensing board and listed on the North Carolina license application form. The minimum passing grade is 75 and each question is worth four points. The qualifying party without assistance must complete the examination.

Return the completed examination and this certification sheet to this office as soon as possible. Upon a passing grade, an electrical contractor license will be issued provided all other requirements have been met.

This examination cannot be reproduced or copied.

I hereby certify that I completed the North Carolina laws, rules and business practices examination without any help or assistance and that no part of the examination was reproduced or copied. I understand that any misrepresentation or omission of facts may result in disqualification or denial of licensure.

INSTRUCTIONS:

This examination consists of twenty-five (25) questions. Each question has a four (4) point value and your total score on this examination will be equal to four (4) times the total number of questions you answer correctly.

Following each question are four choices labeled A, B, C and D. Select the choice that you believe best answers each question or incomplete statement. None of the choices may be absolutely or totally correct; but one choice is better than any of the others. That is the one you should choose.

Your selection of answers to the questions on this examination shall be identified by placing a check mark (✓) on the blank line immediately after the answer you have chosen. Check only one answer per question. If two or more answers are checked for one question, that question will be scored as incorrect.

Recommended allotted time of one (1) hour should enable you to answer all twenty-five (25) questions.
