MEMORANDUM

TO: LICENSE APPLICANT

FROM: NC STATE BOARD OF EXAMINERS OF ELECTRICAL CONTRACTORS

RE: QUALIFYING EXAMINATION
[NORTH CAROLINA LAWS, RULES & BUSINESS PRACTICES](#)

LA & VA applicants are required to pass an examination on laws, rules and business practices applicable to Electrical Contracting in North Carolina. Applicants taking the North Carolina examination have laws, rules and business practice questions on the regular qualifying examination. Applicants, who are applying for a license under a technical examination waiver agreement, must pass the attached examination. The laws and rules are available online at www.ncbeec.org or a laws and rules booklet is available by request. The business practice questions are developed from the NASCLA Business and Project Management for Contractors – North Carolina Electrical Contractors’ Edition.

Attached is a 25 question, open book examination to be completed by the qualifying party who has passed the technical examination as certified by the state licensing board and listed on the North Carolina license application form. The minimum passing grade is 75 and each question is worth four points. The qualifying party without assistance must complete the examination.

Return the completed examination and this certification sheet to this office as soon as possible. Upon a passing grade, an electrical contractor license will be issued provided all other requirements have been met.

This examination cannot be reproduced or copied.

I hereby certify that I completed the North Carolina laws, rules and business practices examination without any help or assistance and that no part of the examination was reproduced or copied. I understand that any misrepresentation or omission of facts may result in disqualification or denial of licensure.

INSTRUCTIONS:

This examination consists of twenty-five (25) questions. Each question has a four (4) point value and your total score on this examination will be equal to four (4) times the total number of questions you answer correctly.

Following each question are four choices labeled A, B, C and D. Select the choice that you believe best answers each question or incomplete statement. None of the choices may be absolutely or totally correct; but one choice is better than any of the others. That is the one you should choose.

Your selection of answers to the questions on this examination shall be identified by placing a check mark (✓) on the blank line immediately after the answer you have chosen. Check only one answer per question. If two or more answers are checked for one question, that question will be scored as incorrect.

Recommended allotted time of one (1) hour should enable you to answer all twenty-five (25) questions.
