## LETTER FROM THE CHAIRMAN

### A MESSAGE FROM BOARD CHAIRMAN GERALD HARVELL

Hello contractors, just a brief word about our current situation. I am impressed with you contractors. What a great job you are doing during the pandemic! You and your employees put yourself and your families at risk to keep us all safe in our homes and workplaces.

This shows the true professionalism of each one of you. We all know what a burden this puts on you and your employees. Every obstacle that has been thrown at you, you find a way to get around it or over it.

The Electricians do not get a lot of praise for what they do, but everyone depends on you so much. Whether you are a one man shop or a large company, we all would be in the dark without you.

Just a big THANK YOU from the Electrical Board and Staff for what you are doing. Stay SAFE and keep up the great work!

## NEW STAFF MEMBERS

### MEET OUR NEW HIRES: CASSIDY AND MICHAEL

#### MICHAEL BIRR – FIELD INVESTIGATOR

As our newest investigator, Michael will oversee investigations in the central territory of the State. He will also be assisting the Enforcement Coordinator, Al Parris, in the office with enforcement, exam reviews and continuing education.

With a Bachelor of Science degree from Mississippi State University, Michael has been in the electrical industry for over 15 years. He has worked in all aspects of the electrical trade, from installing solar power on the National Mall in

Washington, DC, to design and build electrical construction in residential, commercial, and industrial settings.

Outside of work Michael enjoys fishing, hunting, and gardening.

#### CASSIDY SCHWEND – ADMINISTRATIVE ASSISTANT

Cassidy recently moved to North Carolina after obtaining her B.A. in Sociology from McKendree University in Illinois. She has a diverse educational background including additional degrees in Criminal Justice and Psychology which will prove to be a great asset to the Board moving forward.

Cassidy brings a sense of positivity and energy to the NCBEEC team. She works in many facets for the Board from processing licensing forms to providing excellent customer service to our licensee's.

Cassidy is an avid hunter and loves the outdoors. She enjoys reading and exploring her new home with her fiancé David and their foxhound Combat.

## STAFF RETIREMENT

### ANNOUNCING THE RETIREMENT OF ROBBIE BISSETTE

The NC State Board of Examiners of Electrical Contractors announces the retirement of Robbie Bissette effective May 15, 2020.

Robbie began his employment with the Board on January 1, 1984. He performed his duties in an exceptional manner. Robbie worked with the continuing education program as well as renewals. The Board congratulates Robbie on his 36-years of distinguished service to the electrical industry and to the citizens of North Carolina. We wish him the very best in his retirement!

# NEW BOARD RULES & RULE CHANGES

## NEW BOARD RULES AND RULE AMENDMENTS

### **NEW BOARD RULE: Effective March 20, 2020 – March 19, 2021**

#### **21 NCAC 18B .1109 TEMPORARY WAIVER OF CONTINUING EDUCATION REQUIREMENTS: LISTED QUALIFIED INDIVIDUALS**

Effective March 20, 2020, and in response to an ongoing National Health emergency, all existing listed qualified individuals shall receive a one-time waiver of their continuing education requirements to be effectuated by each listed qualified individual receiving credit for their required number of annual hours for their classification as that number is set forth in Rule .1101 of this Section.

### **NEW BOARD RULE: Effective July 1, 2020**

#### **21 NCAC 18B .0408 SCHOOL, HOSPITAL AND NONPROFIT ELECTRICAL CONTRACTORS AND SEPARATE EMPLOYMENT**

Consistent with the provisions of G.S. 87-43.1(5a), the provisions of Rule 21 NCAC 18B .0402(b) and Rule 21 NCAC 18B .0403(b) do not apply to an individual who is employed full-time by a local Board of Education, Hospital or non-profit organization, while such individual is obligated to be regularly on active duty, as defined by 21 NCAC 18B .0301 at said place of employment and complies with the supervision requirements of 21 NCAC 18B .0907(c). The provisions of 21 NCAC 18B .0907, 21 NCAC 18B .0908 and 21 NCAC 18B .0909 continue to apply.

#### **21 NCAC 18B .0212 APPRENTICE TRAINING**

Applicants for examination or license based upon apprentice training pursuant to G.S. 93B-8.6 shall receive credit for such apprenticeship experience consistent with all applicants as set forth in Rule 21 NCAC 18B. 202(b)(1) or 21 NCAC 18B .0202(b)(2).

### **BOARD RULE CHANGES: Effective July 1, 2020**

#### **21 NCAC 18B .0303 ELECTRICAL INSTALLATION: PROJECT VALUE-LIMITATION**

- 4) Project Value Limitation. In determining the value of a given electrical contracting project, the total known or reasonable estimated costs as determined by the Board of all electrical wiring materials, equipment, fixtures, devices, and installation shall be included in arriving at this value, regardless whether a third party such as an owner or general contractor furnishes all or part of same, and regardless of the form or type of contract or subcontract involved.
- (a) if the total cost of the wiring, materials, etc., including that furnished by others, plus the total cost of the installation involved, will be more than sixty thousand dollars (\$60,000) but not more than one hundred fifty thousand dollars (\$150,000), then only an electrical contractor holding either an intermediate or unlimited license shall be eligible to submit a proposal or engage in the project.
  - (b) if the total cost of the wiring, materials, etc., including that furnished by others, plus the total cost of the installation involved, will exceed one hundred fifty thousand dollars (\$150,000), then only an electrical contractor holding an unlimited license shall be eligible to submit a proposal or engage in the project.

#### **21 NCAC 18B .0404 ANNUAL LICENSE FEES**

- (a) The fee for issuance of license, reissuance of license, or license renewal in the various license classifications shall be as follows:

##### **LICENSE FEE SCHEDULE**

Classification	License Fee
Limited	\$ 95.00
Intermediate	\$ 140.00
Unlimited	\$ 190.00
SP-SFD	\$ 95.00
Special Restricted	\$ 95.00

- (b) License fees shall be made payable to the Board. Payment shall accompany any license or license renewal application filed with the Board.

# CE INSTRUCTOR OF THE YEAR

## THE 2019 CONTINUING EDUCATION INSTRUCTOR OF THE YEAR

The Instructor of the Year award has been presented by the NC Board of Examiners of Electrical Contractors since 2003.

At the quarterly Board meeting on February 27, 2020, the Board selected Jimmy Lee Cagle as the 17th Annual Continuing Education Instructor of the Year recipient.

Mr. Cagle has been a consistent resource for our industry, serving as an educator and mentor to many electricians and contractors for several decades. He is a continuing education electrical instructor for Randolph Electrical Contractors Association and member of the Association since 1993. The electrical courses that he teaches are an asset to those in the industry and those who seek a quality education.

Our Instructor of the Year is no stranger to the building industry. Mr. Cagle passed his Limited Electrical exam in March of 1993 and obtained his electrical license and then he passed his Unlimited exam in 1996 and obtained his Unlimited license. He also obtained a plumbing license in 1995 and a general contracting license in 2001. Since being employed with the City of Asheboro in 1982, Mr. Cagle obtained Standard Level III qualifications as an Electrical, Building, Mechanical and Plumbing inspector from the NC Department of Insurance Code Qualifications Board.

When teaching, Mr. Cagle presents various code topics and teaches in a lecture style classroom. He strongly encourages open discussions among the electrical contractors and electrical inspectors that are involved in all aspects of the area whether residential, commercial or industrial and to discuss electrical situations that come up while out in the field as a Building Official for the City of Asheboro.

Mr. Cagle married his high school sweetheart, Diane, in 1982. Jimmy enjoys spending his free time doing things with his daughter Hannah. He is dedicated to his church, family, and the community.

The Board would like to express their appreciation and gratitude to Mr. Cagle continued dedication, service of being an instructor for the Board's Continuing Education Program.

**VIOLATION(S):** Respondent Perry John Taciak is licensed as an unlimited electrical contractor with License number U.32811 and is presently the qualified individual for Utility Partners of America LLC and the holder of qualifier number U.13121. Respondent Gerald Culler is an additional qualified individual employed with Utility Partners of America LLC and the holder of qualifier number QUAL.U.02606.

1. A Notice of Board Proceeding was issued on October 3, 2019, which gave notice that the investigation of staff appeared to establish Respondents have violated G. S. 87-47 (a) and (7) in that Respondents failed to correct deficiencies in a timely manner for multiple permits in North Carolina, failed to supervise employees on multiple projects in North Carolina, and engaged in malpractice or unethical conduct in the use of Respondent's license.
2. Respondents provided evidence of their efforts to address ongoing concerns with permitting and emphasized the importance of their work to the citizens of the state. Respondents acknowledged the existence of a large volume of open permits as well as expired permits. Respondents emphasized these issues were the result of issues beyond their control. The Committee considered these statements but is concerned about the volume of permit issues.
3. The Committee finds Respondents:
  - a. Failed to timely close out permits and obtain inspections for multiple permits in North Carolina
  - b. Failed to correct deficiencies in a timely manner for multiple permits in North Carolina.
  - c. Failed to supervise employees on multiple projects in North Carolina.
  - d. Respondents' actions constitute malpractice in the use of a license.

**BOARD ACTION:** Based upon the foregoing Findings of Fact and Conclusions of Law, it is the recommendation of the Committee that the Board enter the following order:

1. The license of the Perry John Taciak and the firm are placed on probation for 12-months.
2. During the period of probation, the Respondents shall:
  - a. Ensure both Perry Taciak and Gerald Culler attend the Laws & Rules class approved by the Board.
  - b. Provide to Board staff a list of all open and expired permits that exist in North Carolina as of the date of the approval of this Recommended Order as a Final Order.
  - c. Obtain final inspections or close out all open and expired permits that existed in North Carolina as of the date of the approval of this Recommended Order as a Final Order within 12-months to further ensure that half of those open and expired permits be finalized or closed out within 6-months of the approval of this Recommended Order as a Final Order.
  - d. Implement procedures and supervision adequate to assure that jobs typically pass both rough-in and final inspection without reinspection.

## BOARD ORDERS

*Continued from page 12*

- e. Implement procedures within their business adequate to assure that final inspection is requested within five (5) days of substantial completion of each installation, and that the results of the inspection request are known and of record in the business within a like period of time.
- f. Implement procedures to call for reinspection, if necessary, within ten (10) days after the request for final inspection.
- g. Obtain permits as required and deliver signed written proposals for each installation for which licensee is responsible prior to beginning work on any installation.
- h. Have written contracts signed by the licensee and customer (Utility) for the installations for which licensee is responsible.
- i. Maintain job files or other written records of contracts made and installations performed.
- j. Maintain a service log of all contracts and service calls by date of initial call including the date of first response.
- k. Commit no violation of Article 4, Chapter 87, or the Rules of the Board with regard to any qualification administered by the Board.
- l. Submit at the end of each 3-month period a report detailing and documenting his compliance with the provisions of this probation order. The report may be sent directly to the Board's office or the licensee may contact the Board's Field Staff and advise the documents are ready for review.
- m. Maintain the foregoing records, receipts, and contracts for immediate review by the staff of the Board upon request.

There was no objection from Perry John Taciak or Gerald Culler and Consent Order was approved by the Board as a Final Decision December 12, 2019.

**CASE FILE:** 2017-116

**LICENSEE:** Power On NC, Inc.

**ADDRESS:** 6418 Cumberland Drive, Harrisburg, NC 28075

**LISTED QUALIFIED INDIVIDUAL:** William David Desmet

**LICENSE NUMBER:** L.23134

**VIOLATION(S):** Respondent William David Desmet is licensed as an electrical contractor with License number L.23134 and is presently the qualified individual for Power On of NC.

1. A Notice of Board Proceeding was issued on October 1, 2019, which gave notice that the investigation of staff appeared to establish Respondent failed to fully comply with the terms of probation from a prior Order of this Board and the prior Order was violated. Order provided the sanction for violation of the terms of probations was 12-months suspension.
2. The Committee finds that Respondent:
  - a. On October 10, 2018, the Respondent agreed to a Notice of Violation dated October 9, 2019 as a result of complaint processed by Board's Staff. The Notice of Violation was approved by the Board as a Final Decision on September 27, 2018.
  - b. The Notice of Violation imposed a reprimand, fine in the amount of \$1,000 and a one (1) year probation as a sanction. The Notice further provided that in the event of a failure to comply with the terms of probation, the Respondent would be subject to a twelve (12) months suspension of license and the right to serve as a listed qualified individual on any license issued by the Board.
  - c. One of the conditions of that probation was that Respondent was to obtain final inspections on all open and expired permits in Cabarrus and Mecklenburg County for the addresses identified in paragraph 3 of the Notice of Violation. Respondent was late in providing documentation, confirming this condition was met. Once he was allowed a delay of 3 hours in order for him to gather additional documentation on October 24, 2019, he was able to demonstrate this condition of probation has now been satisfied.
  - d. Another condition of the probation was for the Respondent to complete a Contractor Business Class by Umpire Technologies Group, Inc., and present evidence to the Board of a passing grade by March 28, 2019. After being reminded by the Board's Staff, the Respondent completed the Class on September 27, 2019.
  - e. The Respondent failed to timely meet the terms of his probation but has belatedly met those terms.
3. The Committee considered a request from Respondent to either find substantial compliance with the conditions of his probation or to modify the sanction for non-compliance with the conditions of his probation by removing the sanction of active suspension.

**BOARD ACTION:** Based upon the foregoing Findings of Fact and Conclusions of Law, it is the recommendation of the Committee that the Board enter the following order:

1. The Board Order is modified to remove the active suspension and instead extend Respondent's probation for two years with the probation conditions listed in the Notice of Violation continuing as ongoing conditions. There is no need for additional action by the Respondent as to either the Business Class or the open and expired permits identified in paragraph 3 of the October 10, 2018 Notice of Violation.

There was no objection from William David Desmet and an Order was approved by the Board as a Final Decision.

**CASE FILE:** 2019-309

**LICENSEE:** National Power, LLC

**ADDRESS:** 4541 Preslyn Drive, Raleigh, NC 27616

**LISTED QUALIFIED INDIVIDUAL:** Harold Edward Youngblood, Jr.

**LICENSE NUMBER:** U.07723

**VIOLATION(S):** The Respondent Harold Edward Youngblood, Jr. holds unlimited license number 7723 and is the listed qualified individual for National Power LLC. Respondents have no prior disciplinary history.

1. A significant percentage of the Respondents' business involves the installation of commercial and industrial generators. The matters at issue arise from the installation of generators and their associated electrical wiring for sites where cell phone towers are located.
2. Frequently, Respondents will subcontract electrical wiring on projects to other firms.

### Monroe Project

1. On or about December 21, 2018, Respondents contracted a project with Mastec Network Solutions to install generators, including the electrical wiring for the same to ensure uninterrupted power supply for a cell phone tower. The 50KW generator itself was supplied by AT&T and delivered to 5905 Unionville-Brief Road, Monroe, NC ("Monroe project").
2. Respondents in turn subcontracted the installation of the electrical wiring for the Monroe project to E.E. Bridges Electrical. E.E. Bridges Electrical is a South Carolina firm that is not an electrical contractor licensed in the state of North Carolina.
3. No electrical permit was obtained for the Monroe project prior to the installation of the electrical wiring. A permit was subsequently obtained on September 13, 2019. The permit for the Monroe project was obtained by Tum-Key Power Solutions, Inc. with their Limited license 13385. The qualifier for Turn-Key Power Solutions, Inc. is Joseph Everett who is also an employee of the Respondent firm.
4. The electrical wiring for the Monroe project was performed by an unlicensed contractor and not Respondents or Turn-Key Power Solutions, Inc. The licensure status of an entity or individual is easily ascertained by use of the Board's website. In this matter, the licensure status of E.E. Bridges Electrical was not verified.
5. By subcontracting the installation of electrical wiring for the Monroe Project to an unlicensed contractor, Respondents aided and abetted unlicensed activity, failed to provide or ensure the required supervision occurred, and committed malpractice.
6. The Committee has considered as a mitigating factor the absence of prior disciplinary problems on the part of Respondents and their insistence that they were not aware of the fact E.E. Bridges Electrical lacked the required license in the State of North Carolina.

### Wilson Project

1. On or about March 12, 2019, Respondents contracted a project with Mastec Network Solutions to install generators, including the electrical wiring for the same to ensure uninterrupted power supply for a cell phone tower. The 50KW generator itself was supplied by AT&T and delivered to 4455 NC Highway 42 West, Wilson, NC ("Wilson project").
2. Respondents in turn subcontracted the installation of the electrical wiring for the Monroe project to E.E. Bridges Electrical. E.E. Bridges Electrical is a South Carolina firm that is not an electrical contractor licensed in the state of North Carolina.
3. Mastec initially obtained an electrical permit for the installation of the Wilson project but neither entity obtained a permit requesting a change of contractor form with regards to the Mastec permit.
4. The electrical wiring for the Wilson project was performed by an unlicensed contractor. The licensure status of an entity or individual is easily ascertained by use of the Board's website. In this matter, the licensure status of E.E. Bridges Electrical was not verified.
5. By subcontracting the installation of electrical wiring for the Wilson Project to an unlicensed contractor, Respondents aided and abetted unlicensed activity, failed to provide or ensure the required supervision occurred, and committed malpractice.
6. The Committee has considered as a mitigating factor the absence of prior disciplinary problems on the part of Respondents and their insistence that they were not aware of the fact E.E. Bridges Electrical lacked the required license in the State of North Carolina.

### Goldsboro Project

1. On or about March 12, 2019, Respondents contracted a project with Mastec Network Solutions to install generators, including the electrical wiring for the same to ensure uninterrupted power supply for a cell phone tower. The 50KW generator itself was supplied by AT&T and delivered to 2339 South NC Highway 111, Goldsboro, NC ("Goldsboro project").
2. Respondents in turn subcontracted the installation of the electrical wiring for the Monroe project to E.E. Bridges Electrical. E.E. Bridges Electrical is a South Carolina firm that is not an electrical contractor licensed in the state of North Carolina.
3. The permit for the Goldsboro project was obtained by Tum-Key Power Solutions, Inc. with their Limited License 13385. The qualifier for Tum-Key Power Solutions, Inc. is Joseph Everett who is also an employee of the Respondent firm.
4. The electrical wiring for the Goldsboro project was performed by an unlicensed contractor and not Respondents or Tum-Key Power Solutions, Inc. The licensure status of an entity or individual is easily ascertained by use of the Board's website. In this matter, the licensure status of E.E. Bridges Electrical was not verified.
5. By subcontracting the installation of electrical wiring for the Goldsboro Project to an unlicensed contractor, Respondents aided and abetted unlicensed activity, failed to provide or ensure the required supervision occurred, and committed malpractice.

## BOARD ORDERS

*Continued from page 14*

6. The Committee has considered as a mitigating factor the absence of prior disciplinary problems on the part of Respondents and their insistence that they were not aware of the fact E.E. Bridges Electrical lacked the required license in the State of North Carolina.

### Lumberton Project

1. On or about April 5, 2019, Respondents contracted a project with Mastek Network Solutions to install generators, including the electrical wiring for the same to ensure uninterrupted power supply for a cell phone tower. The 50KW generator itself was supplied by AT&T and delivered to 961 Kinilaw Road, Lumberton, NC ("Lumberton project").
2. Respondents in turn subcontracted the installation of the electrical wiring for the Monroe project to E.E. Bridges Electrical. E.E. Bridges Electrical is a South Carolina firm that is not an electrical contractor licensed in the state of North Carolina.
3. The permit for the Lumberton project was obtained by Turn-Key Power Solutions, Inc. with their Limited License 13385. The qualifier for Turn-Key Power Solutions, Inc. is Joseph Everett who is also an employee of the Respondent firm.
4. The electrical wiring for the Lumberton project was performed by an unlicensed contractor and not Respondents or Turn-Key Power Solutions, Inc. The licensure status of an entity or individual is easily ascertained by use of the Board's website. In this matter, the license status of E.E. Bridges Electrical was not verified.
5. By subcontracting the installation of electrical wiring for the Lumberton Project to an unlicensed contractor, Respondents aided and abetted unlicensed activity, failed to provide or ensure the required supervision and committed malpractice.
6. The Committee has considered as a mitigating factor the absence of prior disciplinary problems on the part of Respondents and their insistence that they were not aware of the fact E.E. Bridges Electrical lacked the required license in the State of North Carolina.

**BOARD ACTION:** Based upon the foregoing Findings of Fact and Conclusions of Law, it is the recommendation of the Committee that the Board enter the following order as to the licensee and the firm.

1. Respondents' license to engage in business as an electrical contractor shall be placed on probation for a period of 6 months.
2. During the period of probation, the Respondents shall:
  - a. Attend the free laws and rules class offered by Board staff as set forth on the Board's website during the period of probation.
  - b. Commit no violations of Article 4, Chapter 87 of the North Carolina General Statutes, or the Rules of the Board regarding any qualification administered by the Board.
  - c. Implement procedures and supervision adequate to assure that jobs typically pass both rough-in and final inspection without re-inspection.
  - d. Implement procedures within his business adequate to assure that final inspection is requested within five (5) days of substantial completion of each installation and that the results of the inspection request are known and of record in the business within a like period of time.
  - e. Implement procedures to call for reinspection, if necessary, within ten (10) days after the request for final inspection.
  - f. Obtain no permits except for work for which Respondent or the firm in which his license is listed receives all contractual payments, for which Respondent or his firm have the contract with the property owner or general contractor, and for which all work is carried out by Respondent or his employees.
  - g. Obtain permits as required prior to beginning work on any installation.
  - h. Have written contracts signed by the licensee and customer for each installation for which licensee is responsible.
  - i. Maintain job files or other written records of contracts made and installations performed.
  - j. Maintain the foregoing records, receipts, and contracts for immediate review by the staff of the Board upon request.

There was no objection from Harold Edward Youngblood Jr. and an Order was approved by the Board as a Final Decision.

**LICENSEE:** Carolina Electrical Concepts

**ADDRESS:** 130 Redwood Bend, King, NC 27021

**LISTED QUALIFIED INDIVIDUAL:** Eddie Carrazco

**LICENSE NUMBER:** L.22042

**VIOLATION(S):** The Respondent Eddie Carrazco holds license number L 22042 and is the listed qualified individual for Carolina Electrical Concepts.

1. Respondents installed, including the electrical wiring, an owner furnished 22KW generator and transfer switch for a residence located at 1806 Treyburn Lane, High Point, NC during September 2019 under a contract with the property owner, Daniel Townsend in exchange for \$2,554.00.
2. In the process of performing the installation described above, Respondents violated provisions of the North Carolina Building Code and the requirements of the local authority having jurisdiction over the interpretation and enforcement of that code (City of High Point Inspections Department) including:

## BOARD ORDERS

Continued from page 15

- a. Having a missing load calculation sheet.
- b. Failing to install a ground bus bar in a subpanel and failing to separate the ground and neutrals in a subpanel.
- c. Failing to install nipple seal between the interior panel and transfer switch.
3. The homeowner complains that the Respondents failed to address the issues from the initial failed inspection, referenced above, in a timely manner. The work at the above address was eventually corrected and did pass inspection on November 19, 2019.
4. The Respondents contend the contract intentionally had no deadline for completion and that some of the delay was the result of the unwillingness of the homeowner to provide specifications on the generator that was needed by the local inspector. That contention was considered but fails to provide a sufficient justification for the delayed corrections.
5. Respondents were requested to provide certain payroll and invoice documentation to Board staff and failed to do so. Respondents now maintain no such documents exist.
6. The Respondents operated a business in their individual name rather than in the name in which the license was issued.
7. There is conflicting evidence as to whether Respondents utilized individuals as non-bona-fide employees and no finding is made as to that issue.
8. The Respondents failed to correct deficiencies in a timely manner at the above address.
9. The Respondents engaged in malpractice in the use of his license in violation of G.S. 87-47 (a1) (7).

**BOARD ACTION:** Based upon the foregoing Findings of Fact and Conclusions of Law, it is the recommendation of the Committee that the Board enter the following order as to the licensee and the firm:

1. Respondents' license to engage in business as an electrical contractor shall be placed on probation for a period of 6 months.
2. During the period of probation, the Respondents shall:
  - a. Attend the free laws and rules class offered by Board staff as set forth on the Board's website.
  - b. Commit no violations of Article 4, Chapter 87 of the North Carolina General Statutes, or the Rules of the Board with regard to any qualification administered by the Board.
  - c. Implement procedures and supervision adequate to assure that jobs typically pass both rough-in and final inspection without re-inspection.
  - d. Implement procedures within his business adequate to assure that final inspection is requested within five (5) days of substantial completion of each installation, and that the results of the inspection request are known and of record in the business within a like period of time.
  - e. Implement procedures to call for reinspection, if necessary, within ten (10) days after the request for final inspection.
  - f. Obtain no permits except for work for which Respondent or the firm in which his license is listed receives all contractual payments, for which Respondent or his firm have the contract with the property owner or general contractor, and for which all work is carried out by Respondent or his employees.
  - g. Obtain permits as required prior to beginning work on any installation.
  - h. Have written contracts signed by the licensee and customer for each installation for which licensee is responsible.
  - i. Maintain job files or other written records of contracts made and installations performed.
  - j. Maintain the foregoing records, receipts, and contracts for immediate review by the staff of the Board upon request.
3. In the event of violation of the terms of this Order, including the terms of probation, then the license will be suspended for a period of 6-months. The Board may also impose such additional sanctions as indicated by any new violations of G.S. 87-47.

There was no objection from Eddie Carrasco and the Recommended Order was approved by the Board as a Final Decision February 27, 2020.

**LICENSEE:** Southern Lighting Services Inc.

**ADDRESS:** P.O. Box 7599, Ocean Isle Beach, NC 28469

**LISTED QUALIFIED INDIVIDUAL:** Brian Edward Caldwell

**LICENSE NUMBER:** U.25868

**VIOLATION(S):** The Respondent Brian Edward Caldwell holds license number 25868-Unlimited and is a listed qualified individual for the Granite Falls, NC office of Southern Lighting Services. Brian Caldwell has no prior disciplinary history with this Board.

1. Southern Lighting Services, Inc. previously entered into a Notice of Violation with the Board, which placed its licenses on probation for a period of one year, reprimanded that license and required the payment of a \$500.00 civil penalty.
2. The actions that led to that October 5, 2018 Notice of Violation occurred before Brian Caldwell became a qualifier for the firm, however, Brian Caldwell was a qualifier at the time of the approval of the Notice of Violation and was aware he was subject to the terms of the probation imposed upon the firm. The conditions of the probation included committing no further violation of the Board's laws and rules.

## BOARD ORDERS

*Continued from page 16*

3. Thereafter, Respondents contracted to perform and performed the installation of electrical wiring associated with a project located at 500 Ridgefield Ct., Asheville, NC on or about March 16, 2019. The project was a \$20,142.75 lighting project.
4. Prior to beginning the performance of the installation described in paragraph 5 above, Respondents failed to obtain the necessary permit which is malpractice and a violation of Board Rule NCAC 18B.0909 and the thereby the terms of Respondents' probation.
5. The work in question was otherwise code compliant and a permit and final inspection were subsequently obtained. There were no complaints from the property owner as to the project in question. Respondents were cooperative with the requests of the Board's investigator.
6. Respondent Caldwell submits the failure to procure the permit on a timely basis was an oversight/error and that the application for a permit was completed but not submitted.
7. Respondents submitted a corrective action plan designed to ensure no such mistake will be repeated in the future.
8. The terms of the Respondents' probation, as set forth in the aforementioned Notice of Violation, provides that a failure to comply with probation shall result in a 12-month suspension of Respondents' license.
9. Respondents requested that mitigation factors be considered and that the terms of their probation be modified so as to not activate the suspension in question.

**BOARD ACTION:** Based upon the foregoing Findings of Fact and Conclusions of Law, it is the recommendation of the Committee that the Board enter the following order:

1. Respondents' existing period of probation shall be extended for a period of 6 additional months to begin upon the approval of this Recommended Order as a Final Order of the Board.
2. During the extended period of probation, the Respondents shall:
  - a. Commit no violations of Article 4, Chapter 87 of the North Carolina General Statutes, or the Rules of the Board with regard to any qualification administered by the Board.
  - b. Implement procedures and supervision adequate to assure that jobs typically
  - c. pass both rough-in and final inspection without re-inspection.
  - d. Implement procedures within his business adequate to assure that final inspection is requested within five (5) days of substantial completion of each installation, and that the results of the inspection request are known and of record in the business within a like period of time.
  - e. Implement procedures to call for reinspection.

There was no objection from Brian Edward Caldwell and Consent Order was approved by the Board as a Final Decision.
